Staying Connected No. 15, 2023

Greetings to Everyone.

We farewell many children and families from our school. No matter what level these children are in or how long they have been at our school; we trust life will be good as they begin again elsewhere.

I know many families are finishing with us after a long time in our school. At this time, and I stand to be corrected, we have one family leaving us after 17 years and another after 16 years

And now, as we move towards Christmas; I wish each and every family a Happy Christmas and Safe New Year. Enjoy the change of pace over January and to the families who are returning in 2024; we look forward to welcoming you back in the year ahead.

Every blessing,

Anthony McCluskey

Principal

Literacy News

Parents and Friends

On behalf of Connie and myself, we would like to thank all the parents that have offered their time and support to help out in 2023.

From organising the raffles, Bunnings sausage sizzle, the colour run and all the other fundraisers we have had this year. We have raised over \$20,000.

To all the companies that have donated hampers, vouchers, food for all our fundraising events.

A big tnd

St. Mary MacKillop Primary School is committed to child safety. We believe all students deserve, as a fundamental right, safety and protection from all forms of abuse and neglect.
